

Chierici Giuseppina Marina

I was graduated in Medicine and Surgery at University of Parma in 1989 , specialized in Endocrinology and Diabetology in 1995 in the same University. I worked in the Emergency of a community Hospital In Guastalla, RE,Northern Italy from 1993 till 2000 and afterthat I worked as Diabetologist in Diabetes Center of the same hospital till 2014. During this time I became the Manager of Diabetes Center from 2009 till 2014.At the end of 2014 I left the Hospital and started my job as a free lancer.

In 2016 i started, in partnership with Diabete Romagna Onlus Association, the first and unique project all over Italy named “ let’s bring a smile home” which purpose is to give free medical home assistance for not self-sufficient people with diabetes in the region of Romagna, northeast of Italy . So far we reached more than 600 people with Diabetes that otherwise couldn’t receive a Diabetes specialist consultance..
